VOYAGER

MR. HENRY

An American flag with 48 stars is flying on a tall, slender flagpole. The pole is positioned in front of a large, light-colored building with a series of horizontal architectural bands. The background shows a landscape with trees and a few buildings under a cloudy sky.

VOYAGER

As we look back
On the things we've done,
We realize our lives
Have just begun.

The roads we've traveled
Have paved the way,
For what will come
To us each day.

All the memories
That we have shared,
And all the friends
We found who cared,

Will always have
A place in heart,
We hope we'll never
Be apart.

But time will change,
As we all know,
The friends we have
Will come and go.

Our dreams of today
Will soon come true,
And this reflection
Will fade to blue.

PRINCIPAL

Franklin K. Manley

This issue of the Voyager highlights some of the activities that helped to make your year at Perkiomen Valley High School a happy one. Your teachers and administration are pleased to see that so many students have chosen to be a participant in school life during the year.

As you look at the book, do not lose sight of our most important goals for our school, our students, and our community. This year we have asked you to make a commitment to learning to the best of your ability. We have raised our academic standards and we have asked you, the students, to set your sights higher. We hope that with this new attitude you will be able to learn the skills now that will help you to be an informed and productive citizen in the future.

No one knows what is ahead for you. Your teachers and administrators hope that some of your experiences here at Perkiomen Valley High School have helped to give you the educational background that you will need to be successful in your adult life. In addition, we hope that you do your part in setting a positive attitude for the 1980's and 1990's. The world needs you to make a contribution to your personal success and to the success of the community in which you live. Accept that challenge in the tradition of the other graduates of Perkiomen Valley.

Your high school career has been memorable one. In years to come, this book will serve the stimulus that helps each of us to remember these good times. I speak for your teachers when I offer our wish for a pleasant voyage in life.

Franklin K. Manley, Principal

ASSISTANT PRINCIPALS

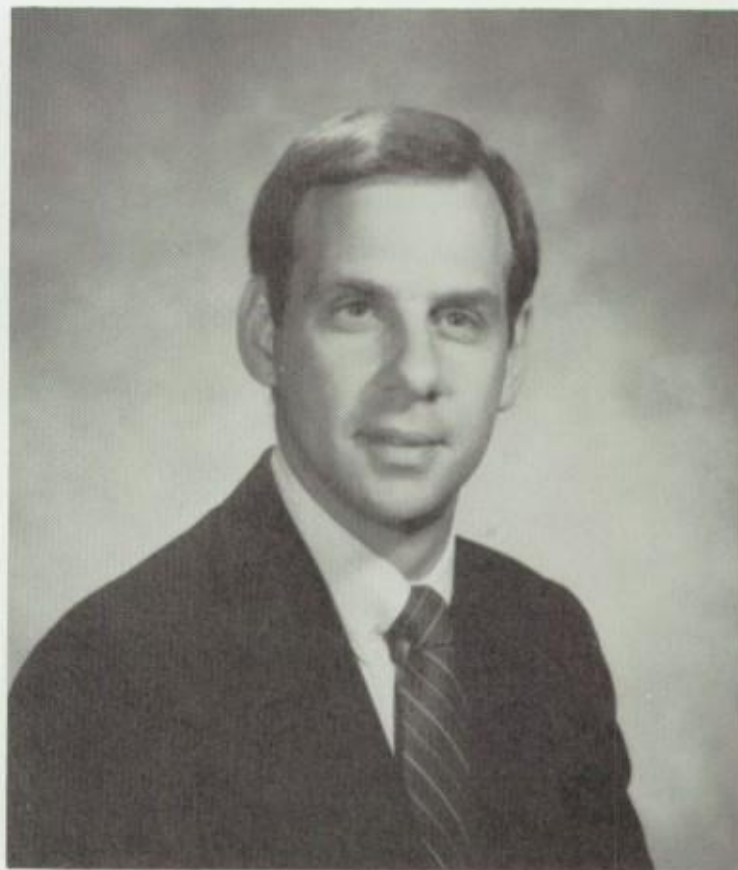

Thomas J. Rutter

In just the short time since my arrival at Perkiomen Valley, I have come to realize how fortunate I am to be a part of this high school. A superior physical plant, self-disciplined and motivated students, and a dedicated and caring staff are all crucial ingredients of effective education here at P.V.

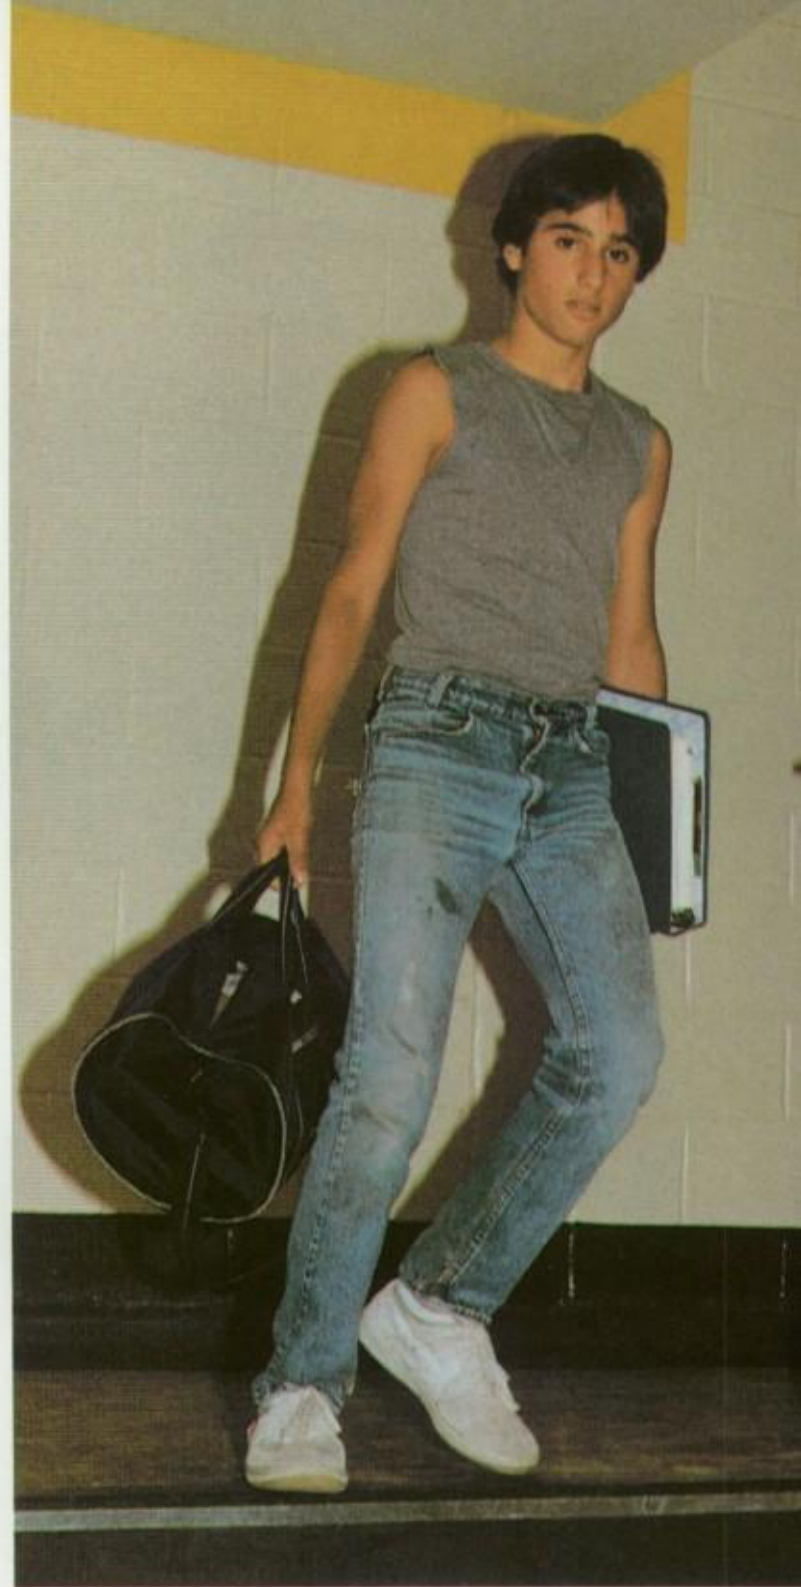

The years of high school are a time to cultivate your talents, build lasting friendships, test your skills and personality, and to form mentor relationships. Opportunities for academic and social learning, extracurricular participation, and student leadership abound. My only regret is that many students do not recognize and seize these opportunities.

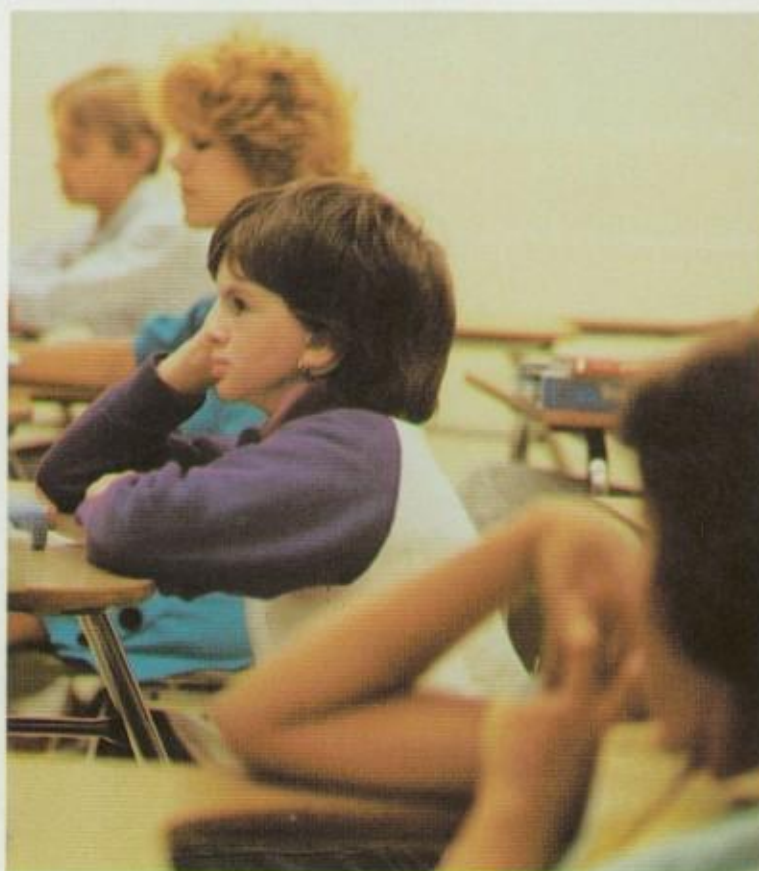

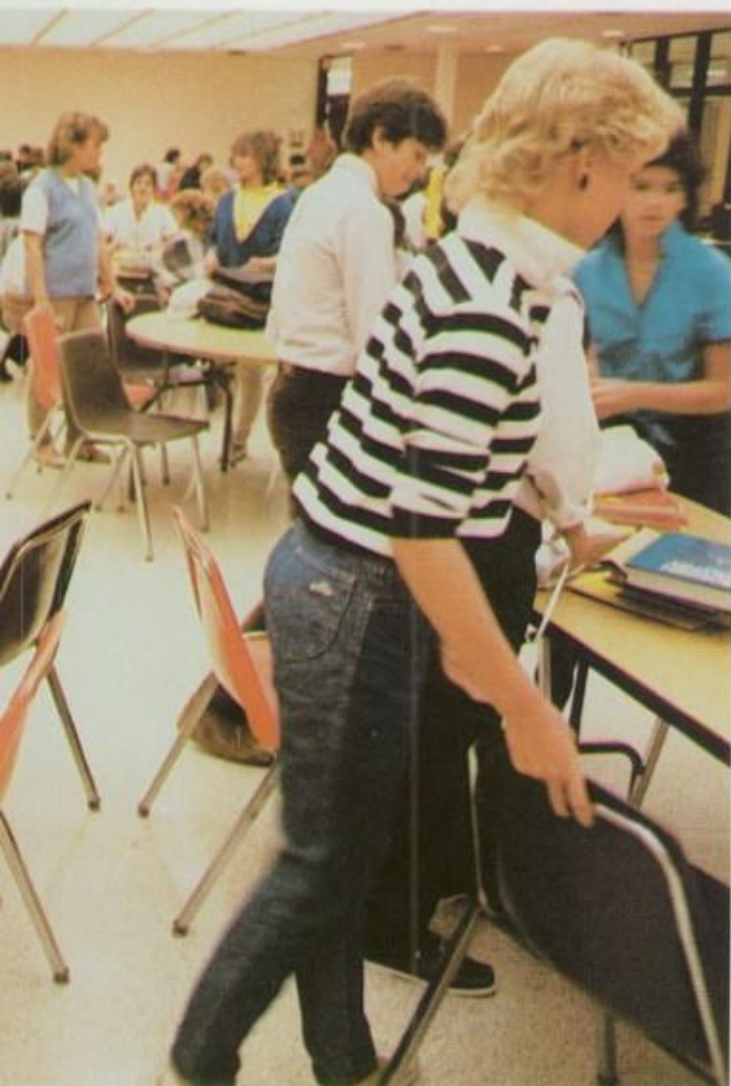

To members of the graduating class of 1985, I hope you will always appreciate the investment of the community, the support of your parents, and the gifts of learning which your teachers imparted. You now possess the skills and the knowledge which are prerequisites for the success in the future. It is now up to you to grow; to become all you are capable of being. Congratulations and Godspeed to every one of you.

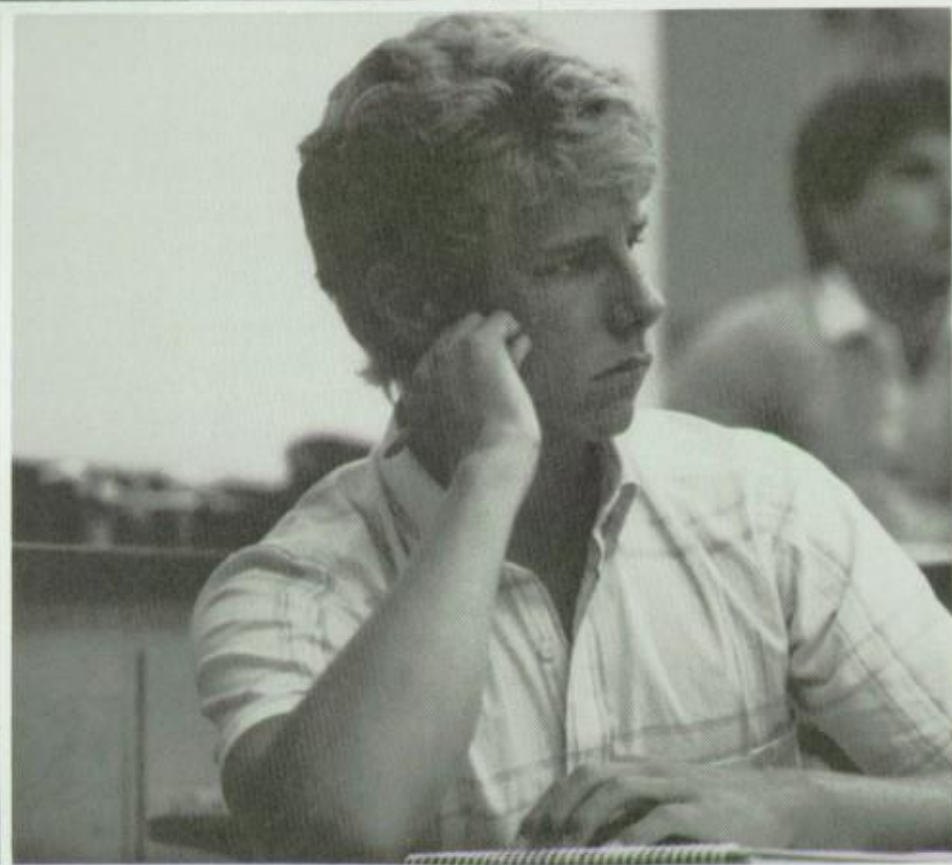

Accepting the position of assistant principal at Perkiomen Valley High School, has been both a challenging and rewarding experience. The faculty and students have been both open and cordial in welcoming me to the school. After having taught for the past fifteen years in four different school districts across the state of Pennsylvania, I look forward to starting my administrative career at Perkiomen Valley High School because the school district offers the best educational environment for students, faculty, and administrators. Also I am very excited about working with many students in the various activities conducted throughout the year. My goal as an administrator at Perkiomen Valley High School will be to help the school continue its role as an outstanding educational leader in the area.

ADMINISTRATION AND SCHOOL BOARD

The Perkiomen Valley Schools are in changing times. More than ever, schools must adapt to new technology and new requirements that will make our students better citizens. The School Board, and the Central office under the direction of Dr. Westcott, are evaluating our schools and making those needed changes. The new district publication, Community Communicator, informs the public of these changes and other areas in the District schools.

The Science department is located in the last hallways of the second floor. This area of studies offers the students a chance to learn more about the physical world around them. Seeing and understanding the biological, chemical and structural world can help to broaden our lives. The range of science classes from Eighth to Twelfth, offers a menu of varied interest to all students. From the beginner to the advanced, the challenge is here.

ENGLISH

Knowing your grammar and literature is a goal of the English department. Students gain skill in proper use of English in speaking and writing for use in everyday living, and as a foundation for college course. Our classes learn the Classics and the Modern authors, to appreciate the creativity of the author and his interpretation of the world. From the action-packed novel to the subtlety of a poem, the creative use of the language can make life special in many ways.

Where in the World and When? That is a question for the Social Studies area. It is Our World and our times. From Elections to Wars to the daily life in many lands. Students try to learn why we do what we do in the world today, in relation to what we have done in the past. Through reading, lectures and discussions, students follow the new changes in a country from its politics to a new name and a new set of problems. An educated citizen can be the best resource a country can have.

MATHEMATICS

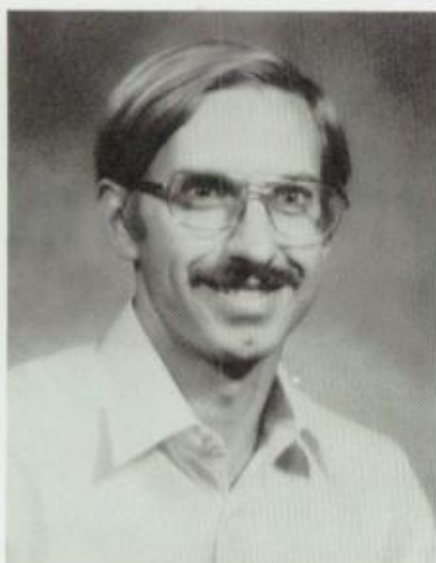

The PV Mathematics department offers a wide range of courses from General Math to Calculus. Courses in Algebra and Trigonometry add extra challenge to the learner. Even with the use of the calculator in everyday life, basic math fundamentals are an integral part of the everyday class. Our Computer program has developed from the Math area and now is a source of help to all other novice computer operators in the building. Our computer program now begins with the Eighth grade at the High school and is growing as the use of the Microcomputer becomes more common.

THE ARTS AREAS

The Arts department, although on the first floor of the building, occupies a large part of the day and evenings of PV students. The classrooms are busy developing the basic creative skills of students in Band, Chorus, Industrial Arts, the Fine Arts and Home Economics. These are always buzzing with activity. In the new graduation requirements of the State which begin in 1985, a humanities course or an equivalent must be taken by all students. The Arts are already reaching much of the student body and the rest indirectly through concerts, exhibits and participation in class activities.

BUSINESS AND CO-OP

The business area of our school is easily found. Where else can you find so many "Hunch Backed" students experiencing the first pain of learning the basic parts of "keeping the books". The offerings use diverse and important to any student interested in going on in college and business . . . The offset printer and word processing machines offer an extension of skills to be learned by the students.

The Cooperative Education program is our work study area, where students who have acquired the necessary credits, may work on-the-job during the school day. Most of these students work in area fast food restaurants or department stores.

PHYSICAL EDUCATION

Keeping Fit: Today and tomorrow can be a goal of Physical Education. Learning about yourself and making an effort toward fitness can make a big difference in your life. An exercise break from the academic areas can make a day seem shorter. The many activities of the Phys. Ed. classes give everyone a chance to do their thing and maybe develop a life long recreation and exercise skill.

LANGUAGES - READING - LIBRARY

Spanish, German, and French add a special touch to the student who wants to know the world around him. The language similarities and application of their literature are a part of growing in the academic world. There is a greater demand for bilingual understanding in our lives with the changes in population of the United States. The need for adding a second language is easily seen in requirements for business positions. The cultures of other countries are more readily available to today's students than ever before — through college and travel abroad. To be fluent in a language can be a special part of moving out in the world.

The Reading program is both remedial and accelerated, offering the students the help they need. Study Skills and general Reading improvement through individual help is the key for improvement in all classes.

COUNSELORS-OFFICE AIDES-NURSE

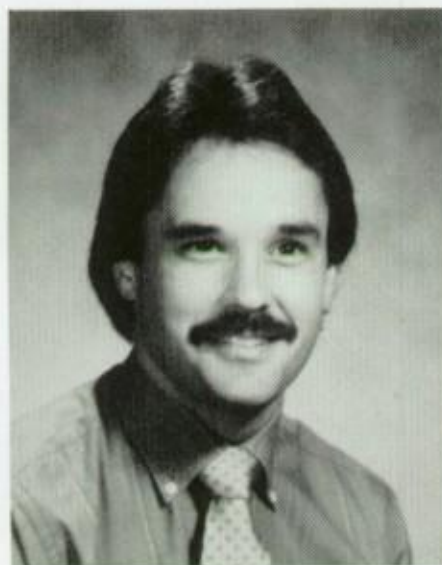

Mr. Gary Newkirk

Our Counseling center provides all kinds of help to the student, from the day he enters for the first time, until he graduates. Counselors work with schedules, academic planning, and the general testing program. This year the TELLS testing program was added by the State as another measuring device in evaluating the learning process of the student. This program will also fund remediation where necessary, according to a level set by the State.

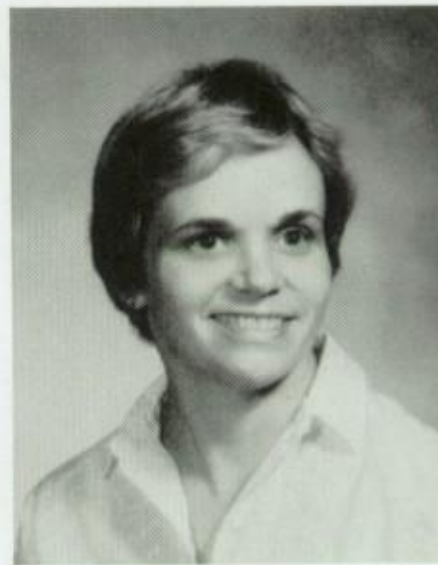

This year Mrs. Lenzi became our nurse, taking on the inevitable weighing, hearing and checkups as well as the day to day first aid. The required Immunization program is also checked with every new student.

ALTERNATIVE EDUCATION

Our Alternative Education areas of the school help students with many learning and developing problems. These areas serve pupils from five surrounding school districts. The students participate in many regular classes where possible, but also receive the special help and assistance they need to become better learners. Many High school students lend support to the program as aides, and also gaining that extra special skill in life called caring. Special help is also available for those students who need more daily individual help in their academic work. These classes are located in many rooms of the school.

RELECTIONS

Here we are at Perkiomen Valley
And through the halls we sure do rally.

Reflecting back on this past year,
Brings back the memories of fun and cheer.

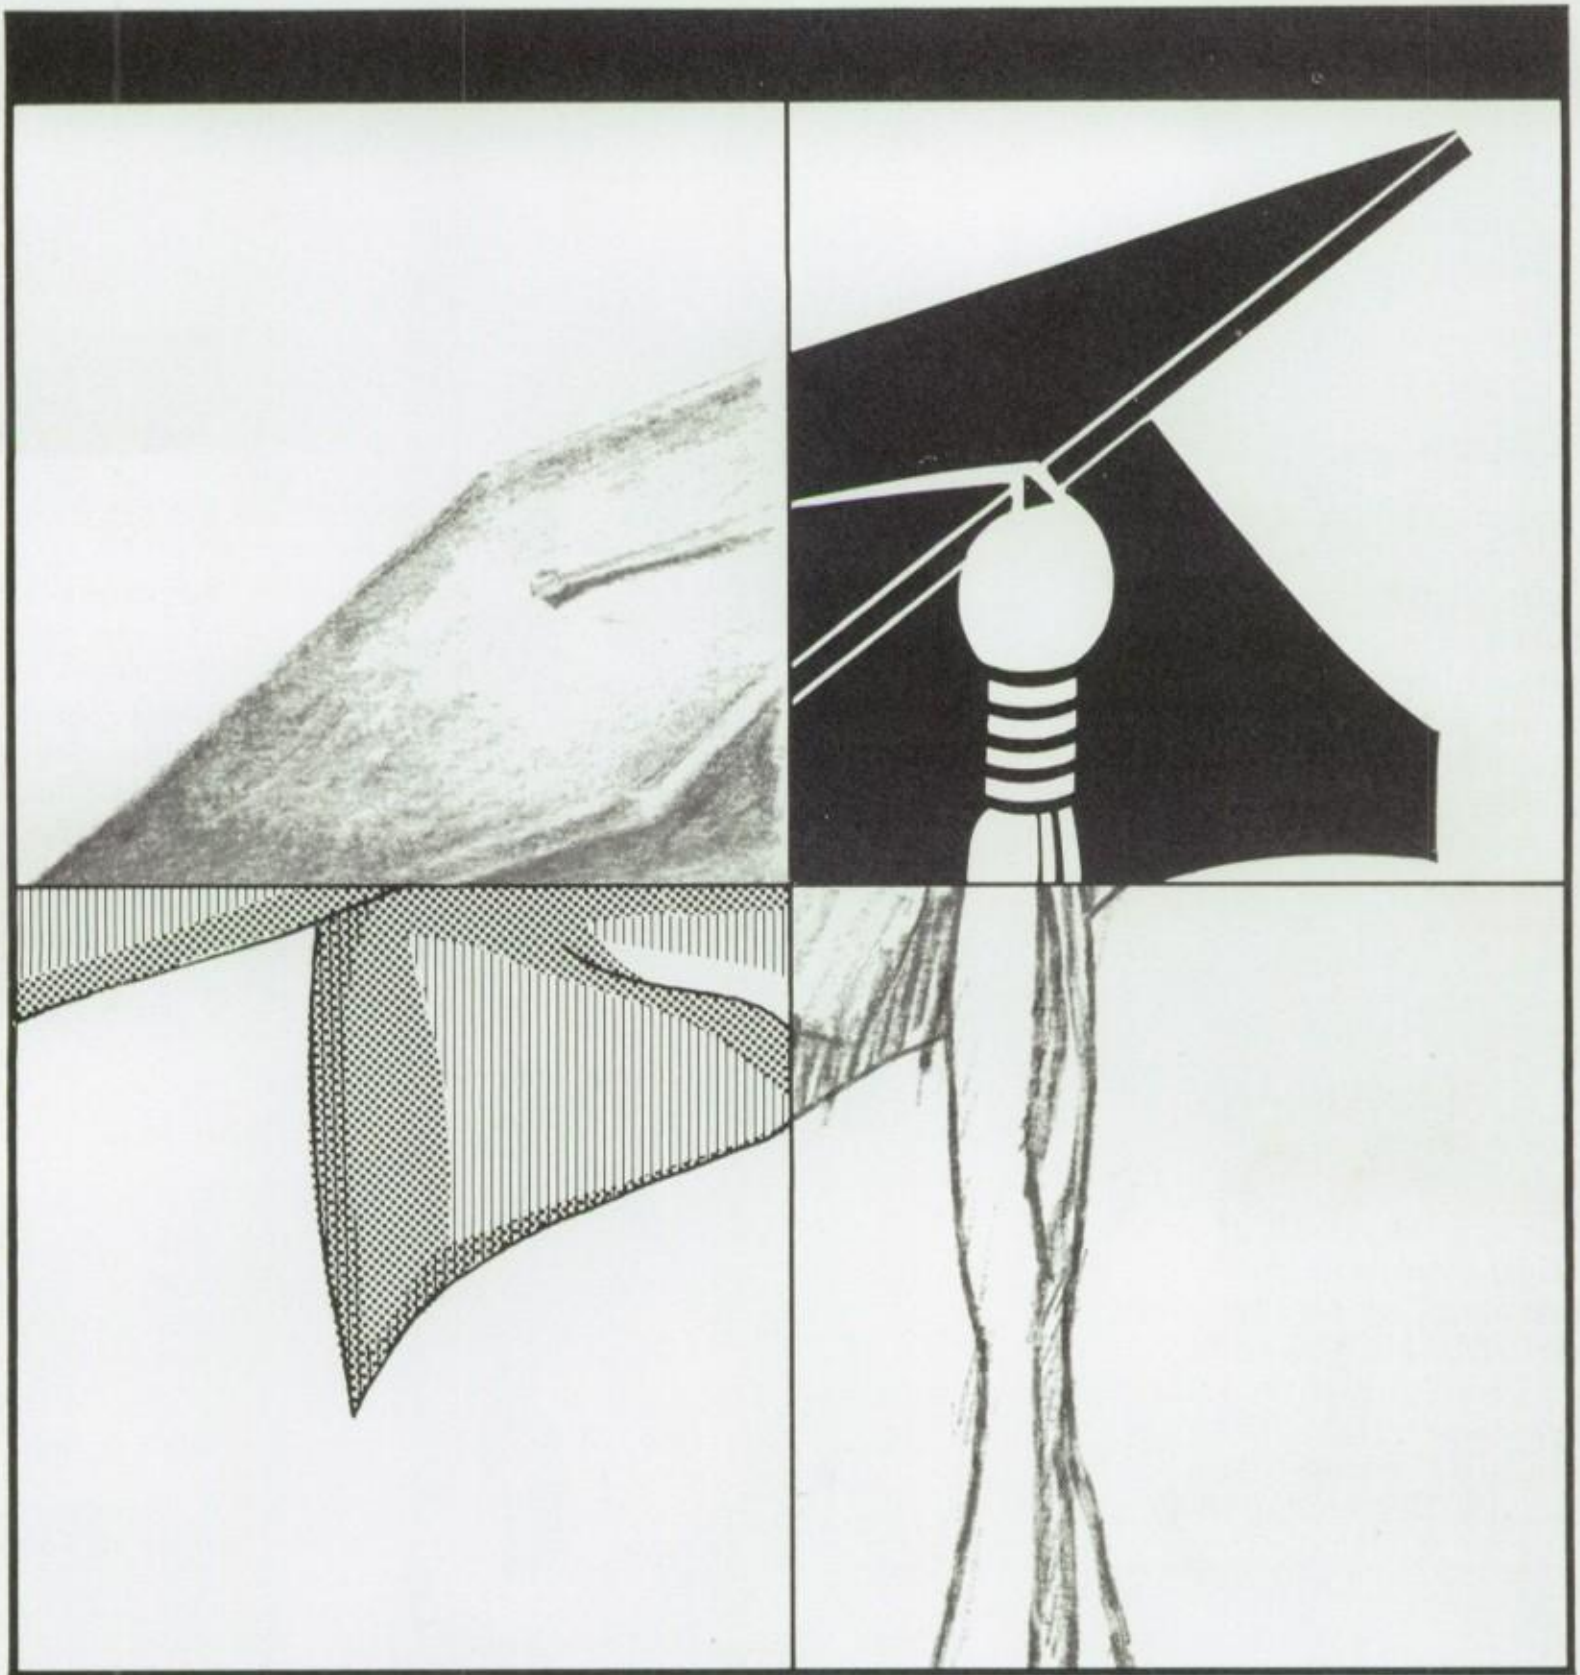

Winning our first league Football game,
Brought us glory and also fame.

Our new Vice-principals, they really care
Whenever we need them, they're always there.

Remember the classrooms, the fun times we had
Graduating from PV makes us feel real sad.

Years from now we'll look back this way,
And remember the times that went away.

COOPERATIVE EDUCATION

The on-the-job training program which is Co-op, enables the student to keep his academic schedule, meet the credit requirements, and work. Students chosen must be of strong stamina. Mr. Pearson expects only the best effort from these and good attendance as well. Jobs are available in the immediate area although some are those students started during the summer and are further away. These students must also study some of the basic skills in getting and keeping a job, such as interviews and resumes. The combination of job and school is the answer for some of our Seniors.

Co-Operative Ed.-First Row: P. Stevens, J. Ott, Mr. Pearson, Advisor; K. Giamo, L. Rose. Second Row: M. Mistysyn, L. Smith, T. Bright, K. Haines, L. Spring, T. Keown, A. DiDomenico, R. Kramer.

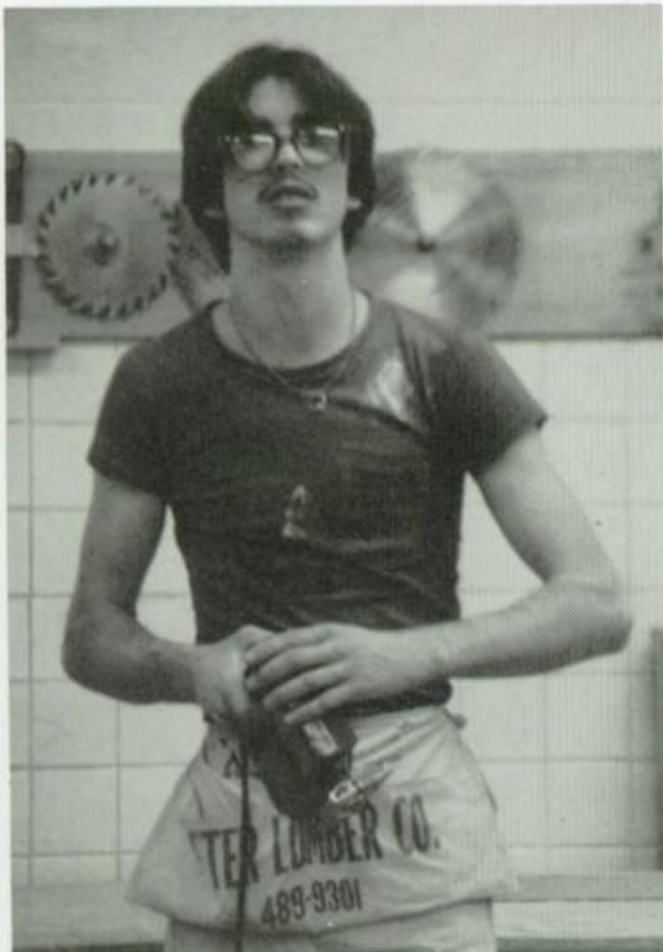

NORTH MONTCO VOCATIONAL EDUCATION

The Montco students are in the front of new changes in the vocational skills fields with the new emphasis on computer learning. Many programs will be getting new changes again next year. With more students going on to other schooling after high school, the Vo-Tech program is a great place to start. This year the students left after lunch, and this gave them a better connection with the home school. The program has been going on for nineteen years and has provided many students with better skills for a better future.

THANKSGIVING GRID WAR

A symbol of combat.

The '84 Homecoming Game between the Warriors and the Vikings was a turkey day spectacular. A record crowd watched a combative Viking team attack the visitors from across the river. The final score of 21-13 left the Vikes without the trophy for another year. The traditional ceremonies of the band presentation and the crowning of the Queen — Diane Benz — put that special touch on a sunny November morn'.

SPONSORED BY THE CLASS OF '86

A day in the life of Bob, Kevin, Karla, and Kris at the Cloisters.

Tracy ... "I hope I remember my lines".

THE CURIOUS SAVAGE

The Fall play this year, the Curious Savage was an entertaining evening of intrigue and humour as a little old lady gets placed in a home for the mentally unbalanced. The plot expands to show that the Children of the patient want the ten million dollars worth of Bonds they feel is rightfully theirs But they are not successful. The Cast is well directed by Mr. Barry Hunsberger, an experienced Theatre Director from an area production company.

"Do I look nervous?".

"Kiss Me you Fool".

SEVENTH AND EIGHTH GRADE BAND

Our Seventh and Eighth grade band, under the direction of Mr. Hagopian, presents a Winter concert. Featuring the sounds of Christmas, the musicians perform songs of the season. The flutes, the clarinets and the brass each present special segments of the program, highlighting the skills of the various students. The full stage of enthusiastic musicians indicates the interest of the students in our band programs.

Maestro Hagopian at the podium.

AND CHORUS

The Seventh and Eighth grade chorus is under the direction of Mr. Charles. He co-ordinates the program between the Middle school and here. Their combined voice is the result of extra rehearsals during the school day. A varied program of more recent works are blended with some songs less familiar but nonetheless just as nice.

WINTER DREAMS

The queen and her court: Leeann Caswell, Missy Mistysyn, Winter Ball Queen Paula Lambert, Lynn Cameron, Kathy Cicala.

Bob Hartzell does the honors.

The major Senior activity, the Winter Ball, was held December 1, 1984 at the Holiday Inn in King of Prussia.

Colors of blue, silver and white decorated the room. Small chocolate sleds surrounded by holly decorated each table. One hundred and eighty in attendance danced to the music by PROS. The crowning of the queen and her court added a special touch to the evening. And this year, the weather cooperated.

CHORUS CHRISTMAS CONCERT

Poinsettias are the color and Christmas is the season when the chorus presents the annual concert. The chorus members, from grades nine through twelve, begin work on the selections at the beginning of the school year. The A-Capella choir and the full chorus combine to make an enjoyable evening. Portions of the concert are presented to the student body the next day. Each year, the members of the chorus compete to sing the solo part of "O Holy Night". This year the honor went to Ken Giamo. In addition to their concerts, the chorus visits various church and community groups to sing their songs.

The traditional Poinsettia Tree adds a seasonal touch.

SOMEONE ... isn't paying attention!

CHORUS HAS CLASS

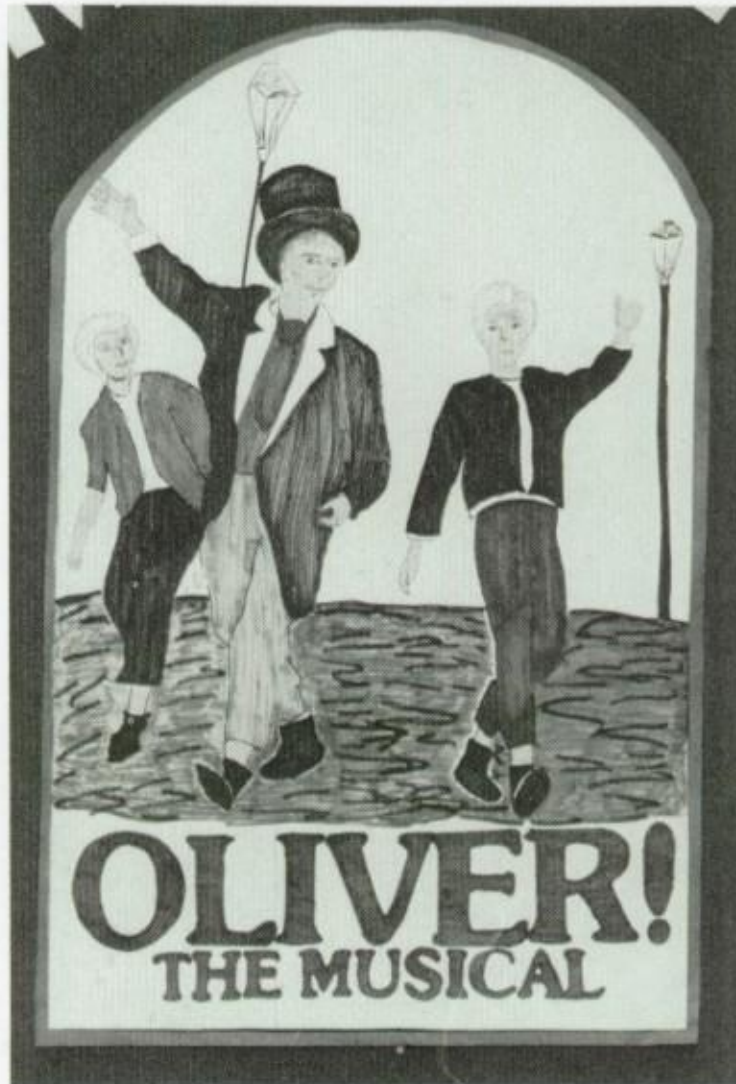

In the far reaches of the building, the Chorus room develops the sounds and the interest of the new chorus members. This class can be scheduled and offer the musical student an non-academic alternative. Mr. Charles is our sponsor for the annual Musical, and this is a good place to look for budding talent, regardless of grade level.

SPRING MUSICAL

"Strawberries!"

"One more curl?"
(Exchange student Sonna Reponen)

"Don't look now!"

This year's musical was Lionel Bart's "Oliver", which was a new step for theatre at P.V. The cast included people from the middle school as well as the high school. With as many as fifty cast members, "Oliver", lit up the stage and was a financial success. "Oliver", was under the direction of John D. Charles, and was assisted by Lynn Gilbert. Marge Friel was the choreographer. Seniors in the cast included; Dave Beatty, Mike Bono, Lynn Cabot, Dawn Benz, Sue Chesney, Cathy Flynn, Doug Lindsay, Mari Santangelo, Karen Slotterback, Trevor Tucholski, Jim Warren, and Jay Yasencheck.

"Sing it Dodger (Glen Rutter)."

They meet about once a month, and the officers meet with the officers from other schools to share ideas. Some of the activities of the Forum are the MS Penny-a-Vote campaign, the Spring Festival and the Beach Party Dance. This year, however, the dance was postponed by a snowstorm. The Forum is under the guidance of Mr. Adams.

This year the Yearbook Staff chose the theme REFLECTIONS as their connecting idea. We have tried to capture as much of the year as we can on the faces of the students as they go through the year. The saying, "...a picture is worth a thousand words" will be seen in all the pages. It is a large task to capture the Viking spirit and the activity of a thousand people all responding to bells constantly ringing.

We would like to thank some special people who helped us along the way. Mrs. Kressly, who made the task of selling ads and Yearbooks seem so easy. Her new improved methods should be copyrighted. And to Mr. O'Brien, the Jostens representative, who gave us the reassurance when we needed it. To Davor Photographers who made those special pictures and got them here on time. To our extra photographers, Mr. Steitz, Marlana Kroll, Brenda Morgan, Brian Godshall and Steve Dunning and all the others who gave us extra shots. Also, many thanks to the nighttime Janitorial staff who made our meetings an easy operation.

MOST OF ALL...we would like to thank the staff and students who made this job much easier. Thank you all.

NEWSPAPER - PERSPECTIVES

The newspaper staff for the school publication, Perspectives, is at work all the time collecting information and writing articles on current issues and people around the school. The paper is a great learning activity for the students interested in journalism. Under the guidance of Mr. Ruppel, the staff works with the computer word processing to write and edit their stories. The regular publication as a supplement to the Schwenksville Item is a great help to the paper staff.

STAGE AND LIGHTING

The stage and lighting crew work very hard throughout the year, but their major production is the Spring Musical. This requires many hours of rehearsals and lighting adjustments until the final day. SPORTS CANDIDS

A T H L E T I C S

THE SPIRIT OF THE VIKINGS

The cheerleaders are the spirit of the school in all seasons. From the Autumn chill to the cold winter, the cheers for our teams are heard. These girls practice and rehearse their formations after school hours. Under the watchful eye of their advisors, the girls try anything from pyramids to stacks of bodies on the carpeted area of the auditorium lobby. This provides a softer landing area in the beginning stages of their practice. Each girl must do her part to balance the formation. No activity would be complete without the cheerleaders. Now if the students could only remember the words.....

"Make that Basket?... anyone here?"

CHEERS FOR ALL SEASONS

Our Wretlerettes are the spirit of the grapplers. These girls start practicing near the end of the Football season and get their routines together. The physical battles on the mat at the wrestling matches require a little different style of cheering. The action is fast and before you know it, the next weight class is starting. Go wrestler-ettes!

As the season opened for the Football team, Coach John Strawoet and his assistants, looked optimistically toward the future. Little did he realize that the team would put Football Fever back in the valley. Rolling up a 5-6 record, the Viscious Vikings put together a respectable team that took on the biggest in the Bux Mont. And at the end of each game, the guys left the field knowing they did a good job. Tom Charters quarterbacked a group of tough linemen and made the important passes to the rapid receivers down field. Both offensive and defensive teams kept the games exciting with exceptional play. All this filled the stands, finishing with an overflow crowd at the Thanksgiving clash with our rival Methacton. Football fever is back!

The JV team put in many Monday afternoons clashing with their rivals on the JV levels from other schools. The season record for them was a disappointing 0-7-2 record, but the team has many good players who gained valuable experience for next year.

Under Coaches Miller and Mitchell, fundamentals are taught and executed. Although the team finished with an 0-7 record, the young Vikings are an important part of the football program.

VARSITY HOCKEY

A Varsity team in any year can be an unknown group until the season develops. This year's team, coached by Mrs. Fenstermacher proved this from the slow start flashing finish. The girls finished second in Bux Monts and became the first PV Hockey team to win the district title. Although losing in the first round of states, the girls played well together from the start, recording a 7-3-6 league record. Named to the Bux Mont team were Kathy Cicala and Jamie Little. Stacey Giorgio, the goalie, was named to the second team. Diane Benz, Dawn Ullman, and Sharon Wisler received Honorable Mention.

The team then won the District title and at the State level came in 11th. Lead runner for the boys was Sophomore Jason Eicholtz. It was a good year for the team.

ACTION IN THE AFTERNOON

With only seven returning lettermen, Coach Rick Maxwell didn't know what to expect for the '84 Soccer season. The season opened with an impressive 10-4 trouncing of Springford. In that game, Nick Walsh scored a record high five goals for P.V. For the first time ever, the Vikings won two league contests in a season by beating Upper Perk twice. The first game was an exciting 2-1 overtime victory, and the second was a 5-3 Parents Day triumph. This year's defense was led by junior Michael Gunther, an exchange student from West Germany, along with Rob King and goalie Jim McMenamin, both sophomores. The offense was led by senior Nick Walsh with 13 goals and Michael Gunther with four. Captains this year were Walt Vormschlag and Nick Walsh. BASEBALL

This years baseball team was the best Viking baseball team in the schools history. No one player carried the team, everyone worked to the 14-6 mark. The Vikings made it all the way to the District semifinals before losing a heartbreaker to Ocatara. Highlights of the season included a 2-1 win over powerhouse Hatboro and a District Quarterfinal win over Lansdale Catholic.

Leading the team in hitting and stealing bases was 1st team All Bux-Mont shortstop Kevin Cain. Receiving Honorable Mention was Gold Glove Centerfielder Tom Charters and hard-hitting catcher Bob Cassel. Holding down the pitching was Silverwing award winner Steve Smith and Hard throwing Craig (Egg) Robbins.

Standing: Coach Plicta, S. Smith, E. Dougherty, C. Robbins, T. Charters, W. Lick, K. Cain, Coach Moatz. Kneeling: R. Cassel, D. Zvodar, D. Robinson, J. Schantz, R. Hartzell. Sitting: M. James, B. Stalford, C. Arnold, J. Bildstein.

Tom Charters throws one in.

Brian Gregory wants a perfect pitch.

Chris Arnold wonders where the ball went.

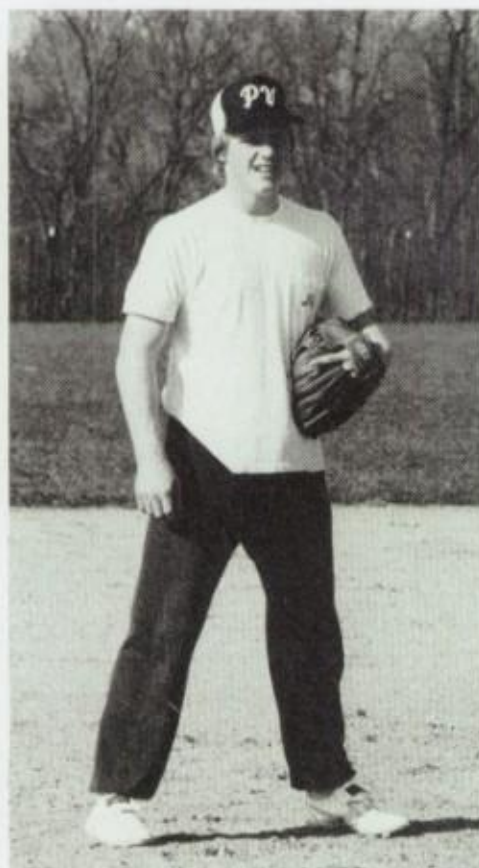

Don't look now Matt ...

A meeting of the minds to discuss some strategy with Chris Arnold.

D. Zvodar: "It's so good to be home!"

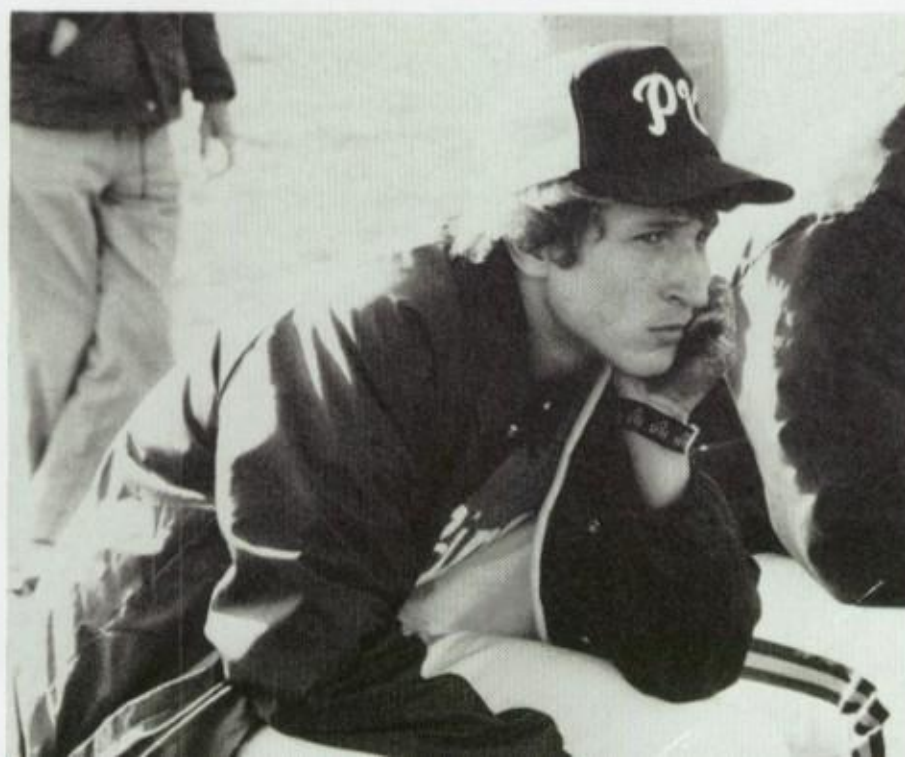

B. Cassel: "Am I supposed to catch this ball?"

Kevin looks for to rip.

D. Robinson: "Will I ever get in this game?"

Front: Brian Hohman, Jason Eicholtz, Brad Whitman, Norman Coyne, John Hebert, Rob Cunningham, Rob King. Second: Don Drumheller, Troy Musselman, Drew Miller, Jim McMenaman, Chris Elvidge, Bill Martin. Third: Bob Dickerson, Chris Stafanski, Kris Trauger, Marc Stevens, Ron Sowers, Mike DeWane, Chris Osisek, Mark Osisek. Back: Coach Wiser, Grant Hoffman, Doug Bannon, Chris Fretz, Steve Bochnawicz, Dave Schmitt, Jack Farrell, Eric Schmitt.

J. Farrell-Olympic material?

BOYS SPRING TRACK

The 1984 Boys Track Team started the season with 3 disadvantages. 1) Everyone who scored in last years District I championship graduated. 2) There was no track on which to train or have meets. 3) The poor spring weather prevented the team from practicing outside. A new group of fine underclassmen athletes emerged. These athletes included: Chris Fretz and Jason Eicholtz in the distance events; Kris Trauger, Troy Musselman and Drew Miller in the sprints; Chris Osisek and Brian Hohman in the jumps; and a tremendous group of throwers including Dave Schmitt, Mark Osisek and Jack Farrell. Captain Jack Farrell highlighted the season with many new school records in the shot put. The final record stood at 52'2½".

C. Elvidge and H. Krum await the finish.

C. Osisek and D. Miller legging it out!

Daren Connelly and Chris Fretz. On your mark ... Get set! ...

Chris Fretz and Steve Bochnowicz. Aren't you guys supposed to be running?!

Come On! You're almost there! Jason Eicholtz-newcomer on the P.V. track.

Scott Wanta and Kris Trauger checking the standings.

GIRLS SPRING TRACK

Girl's Cross Country Team. (front) R. Sheppard, L. Howard, B. Peoples, T. DeWane, S. Bochnowicz, J. Lasorda, A. Acker (middle) J. Potteiger, B. Everhart, D. Stalford, T. Everhart, B. Yocum, S. Kelley, J. Moore, (back) S. Reponen, M. Hydier, K. Coll, J. Lasorda, Coach Krum, A. Friedburg, M. Santangelo.

The 1984 girls track team started the season by forfeiting the first four (4) dual meets due to the lack of a track. Since the league season is determined solely by dual meets, the team was unable to defend its league championship. The lack of a place to train prevented an outstanding group of athletes from reaching its potential.

A tie for first place in the District I Championship was the highlight of the season. Many of these girls

were named to the all area first team; including: Monica Santangelo-Discus, Beth Yocum-Javelin, Joyce Lasorda-High Jump, Michele Hydier-200, Kate Coll-800, Sue Kelley-1600, Rita Sheppard-3200, Michele Hydier, Kate Coll, Sue Kelley, and Karen DeLucia-1600 m Relay and Susan Kelley, Kate Coll, Jody Potteiger, and Karen DeLucia-3200m Relay.

Susan Kelley.

BOY'S TENNIS

1983-1984 Boys Tennis Team: Coach-Mrs. Spencer, Cliff Hlaing, Drew Maerz, Nick Walsh, Greg Konigsbauer, Bea Hlaing- Manager, Kneeling: John Bandaian, Mike Babiarz, Brian Lynch, Mark McManus.

Don't miss the ball, Greg!

The ball will come soon John.

Nick Walsh getting ready for a powerful swing.

Frogman (Brian) to the rescue.

Just because it's a bad ball doesn't mean you have to stick out your tongue, Cliff!

WINTER TRACK TEAM

1st row: S. Farrel, K. Zvodar, J. Worth, K. Hydier, B. Ullman, S. Kelly, D. Dougherty, K. Iverson, K. Douglas. 2nd row: J. Schmitt, J. Eicholtz, J. McManiman, B. Holman, M. Santangelo, J. Schatz, M. Waldsberger, L. Radcliff, R. Ledslinger, T. Cassel, L. Cusumano. 3rd row: K. Coll, T. Musselman, S. Conrad, C. Osisek, D. Schmitt, M. Hydier, C. Fretz, C. Elvidge, P. Haring, J. Potenger, Coach Wiser.

The Winter Track team is a segment of the all season running program which Mr. Wiser has established. Evidence of its success is seen at the indoor meets which are held through the winter months. The team competes from West Chester to Wisahickon, each team member working for his or her personal best. Breaking a school record and improving on your own gives the early morning runners their goals. We know they are in action by the sound of running feet in the second floor halls after 3:15. Can Spring be far behind?

NINTH GRADE LACROSSE

The Ninth grade team had a busy year. Despite the 1-7-0 season, the team played aggressively, and with enthusiasm. They improved steadily, and their overall skills and team work was better by the end of the season. Sue Farrell was the high scorer with 17 points. Goalie Michelle Mann made saves on more than half the shots made on her position.

Ninth Grade Lacrosse: First Row: S. McManus, C. Clark, L. Allebach, A. Smith, P. Sullivan, L. Connelly, Second Row: D. Norton, J. Worth, L. Gey, J. Schadler, A. Mazza, S. Nuss, S. Farrell, Third Row: Coach Snell, K. Zvodar, N. Skidmore, M. Santangelo, W. Hastings, M. McManus, H. Bucher, A. Beyer, L. Bagley, D. Dougherty.

SEVENTH AND EIGHTH GRADE LACROSSE

The Seventh and Eighth grade team, under the guidance of Coach Fuhrman, made new strides in learning the game of Lacrosse. With the new expanded Junior high program last year, the girls started the season with a better understanding of the game. Although their schedule of games is not large, the girls enjoyed the chance to compete in their league.

Seventh and Eighth Grade Lacrosse. First Row: A. Gregory, A. Dise, L. Schultz, K. Thorpe, K. Ivarson, A. Meidnar, B. Shainline. Second Row: N. Watters, M. Dearolf, N. Mazza, A. Wagner, S. Walling, L. Souder, A. Spangler, J. Davis, K. Dickey, K. O'Donnell. Third Row: T. Wagner, T. Detwiler, K. Keppley, K. Webb, M. Stoudt, W. Friedberg, M. Reedinger, A. Hildebrandt, B. Hlaing, E. Heidel, Coach Fuhrman.

JUNIOR HIGH WRESTLING

First Row: W. Rineer, B. Yetman, M. Marino, K. Prutzer, M. Sowers. Second Row: J. Mann, M. O'Connell, J. Kane, C. Giambrone, J. Nazaryk, D. Coleman, Coach Gumbarge.

The Agony and the Pain

The Junior High Wrestlers had a good season. Each wrestler had some good competition and gained more experience. Mark Marino continued his winning ways on the mat this year. The team has an open schedule which gives them enough matches in the Junior High league.

Is it a Pin?

Go get him Mark!

GIRLS JUNIOR BASKETBALL

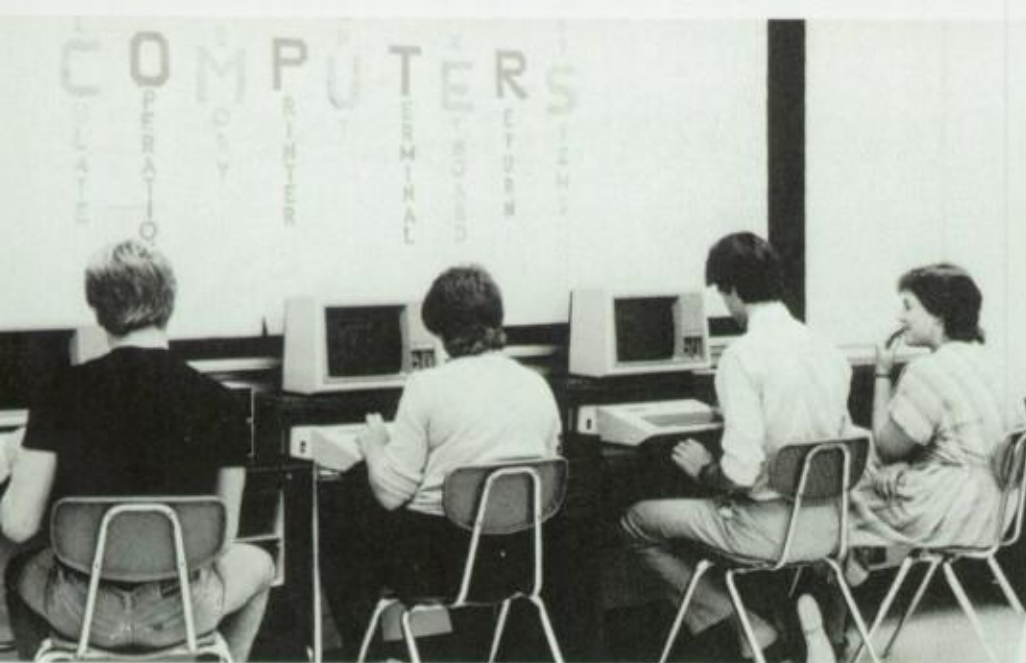

The Girls JV team played a busy schedule and did get a few wins this season. They played in the Bux-mont Jr. High league and met some good competition. They will be some of the material for the next Varsity season.

Eighth and Ninth Grade Team: First Row: C. Keller, N. Mazza, A. Gregory, L. Souder, K. Knoebel. Second Row: J. Osisek, T. Detweiler, K. O'Donnell, H. Bucher, K. Davidson. Third Row: T. Wagner, K. Swartz, K. Kirby, M. Stuidt, W. Friedberg, D. Gulbis, K. Musselman.

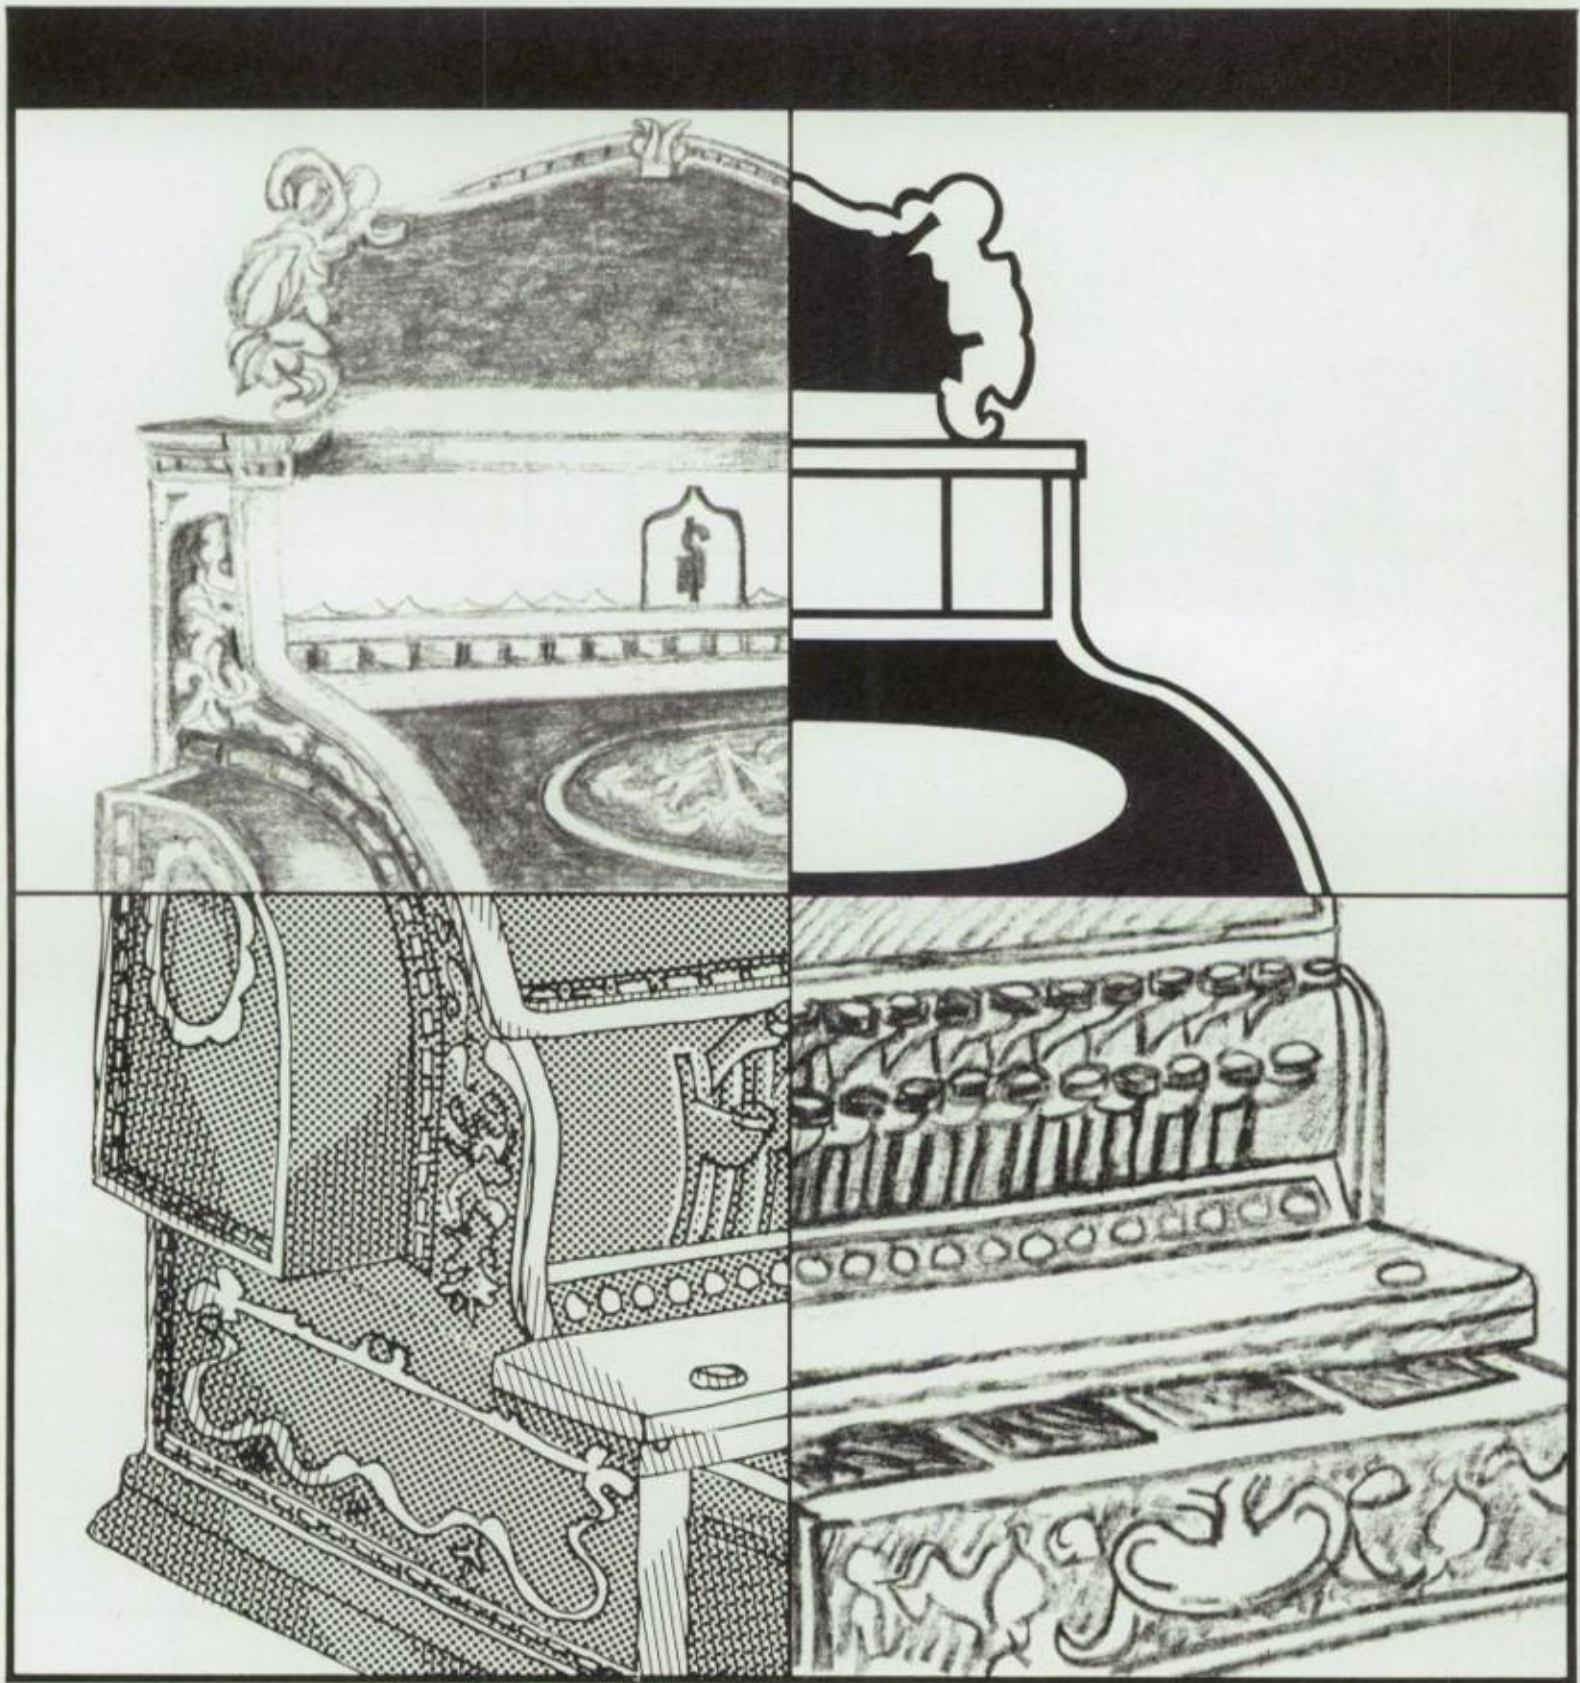

The Seventh and Eighth grade team starts the season late October and are finished by the first of December. They play the variety of teams such as Strayer and others that can schedule games. This was not a high scoring year, but the team got good experience and enhanced their skills.

Seventh and Eighth Grade Team: First Row: J. Yerger, A. Spangler, T. Reeder. Second Row: H. McQuirns, A. Wenhold, L. Logan, M. Watters. Third Row: K. Musselman, K. Williams, unknown, T. Yeanish, E. Heidel, T. Wagner.
